

D&D: BASIC

Werewolves: These creatures are semi-intelligent and usually hunt in packs. Any group of 5 or more will have a leader, who has 30 hit points, attacks as a 5 hit dice monster, and adds +2 to damage rolls. Werewolves summon normal wolves to form large packs with them.

Wereboars: Wereboars are semi-intelligent and have bad tempers. In human form they often seem to be berserkers, and may act the same way in battle (gaining +2 on "to hit" rolls and fighting to the death). Wereboars summon normal boars to help them in battle.

Weretigers: These relatives of the Great Cats often act like them, being very curious but becoming dangerous when threatened. They are good swimmers and quiet trackers, surprising on a roll of 1-4 (on 1d6). They may summon any type of Great Cat that is in the area (preferring tigers).

Werbears: Werbears are very intelligent, even in animal form. A werbear usually prefers to live alone or with bears. It might be friendly, however, if peacefully approached. In combat, werbears may hug for 2-16 (2d8) points of damage (in addition to normal damage) if both paws hit the same target in one combat round. A werbear may summon any type of bear in the area.

Medium

Armor Class:	9	No. Appearing:	1-4 (1-12)
Hit Dice:	1**	Save As:	Magic-user: 1
Move:	120' (40')	Morale:	7
Attacks:	1 dagger or spell	Treasure Type:	V
Damage:	1-4 or by spell	Alignment:	Any

Mediums are NPC 1st level magic-users. There is a 50% chance that mediums will be accompanied by their master, a 3rd level magic-user. Mediums will each have one 1st level spell which the DM may choose or determine randomly. The 3rd level magic-user will have two 1st level spells and one 2nd level spell, chosen in a similar manner.

Medusa

Armor Class:	8	No. Appearing:	1-3 (1-4)
Hit Dice:	4**	Save As:	Fighter: 4
Move:	90' (30')	Morale:	8
Attacks:	1 snakebite + special	Treasure Type:	F
Damage:	1-6 + poison	Alignment:	Chaotic

A medusa looks like a human female with live snakes growing from her head instead of hair. The sight of a medusa will turn a creature to stone unless the victim saves vs. Turn to Stone. The bite of the snakes is poisonous (save vs. Poison or die in one turn) and when they hit they will do a total of 1-6 (1d6) points of damage. The group of snakes may only attack once per round. A medusa will often wear a robe with a hood for disguise in order to trick its victims into looking at it. A medusa can be looked at without harm by looking at its reflection in a mirror. If a medusa sees its own reflection, it must save vs. Turn to Stone or it will petrify itself! Anyone who tries to attack a medusa without looking at it must subtract 4 from all "to hit" rolls, and the medusa may attack with a bonus of +2 on its "to hit" rolls. A medusa also gains +2 on saves vs. Spells due to her magical nature.

MONSTERS

Minotaur

Armor Class:	6	No. Appearing:	1-6 (1-8)
Hit Dice:	6	Save As:	Fighter: 6
Move:	120' (40')	Morale:	12
Attacks:	1 gore/1 bite or 1 weapon	Treasure Type:	C
Damage:	1-6/1-6 or by weapon type	Alignment:	Chaotic

A minotaur is a large man with the head of a bull. It is larger than human size, and eats humans. A minotaur will always attack anything its size or smaller and will pursue as long as its prey is in sight. Minotaurs are semi-intelligent and some use weapons, preferring a spear, club, or axe. Minotaurs gain +2 to damage done with a weapon due to their strength. If a minotaur uses a weapon, it may not gore or bite. Minotaurs usually live in tunnels or mazes.

Mule

Armor Class:	7	No. Appearing:	1-8 (2-12)
Hit Dice:	2	Save As:	Normal Man
Move:	120' (40')	Morale:	8
Attacks:	1 kick or 1 bite	Treasure Type:	Nil
Damage:	1-4 or 1-3	Alignment:	Neutral

A mule is a crossbreed between a horse and a donkey. Mules are stubborn, and if bothered or excited they may either bite or kick. If the DM permits it, mules can be taken into dungeons. A mule can carry a normal load of 2000 coins (or 4000 coins at most, with its move reduced to 60'/turn). Mules cannot be trained to attack, but will fight in their own defense.

Neanderthal (Caveman)

Armor Class:	8	No. Appearing:	1-10 (10-40)
Hit Dice:	2	Save As:	Fighter: 2
Move:	120' (40')	Morale:	7
Attacks:	1 weapon	Treasure Type:	C
Damage:	2-8 or weapon + 1	Alignment:	Lawful

Neanderthals (also known as cavemen) are a demi-human species related to humans. They have squat bodies with large bones and powerful muscles. Their faces have apelike features, including large brows above the eyes. Neanderthals live in family groups in caves and caverns.

Neanderthals usually attack with thrown spears and use stone axes, clubs, or stone hammers in hand-to-hand combat. They choose their leaders from a similar race that is much larger than the average Neanderthal. These leaders have 6 hit dice, and are 10' tall. There will be 10-40 Neanderthals in the lair with 2 leaders, one male and one female. Neanderthals often hunt cave bears and keep white apes as pets. They are friendly toward dwarves and gnomes, but hate goblins and kobolds. They will attack ogres on sight. They are shy and will avoid humans, but are not usually hostile unless they are attacked.

Noble

Armor Class:	2	No. Appearing:	2-12 (2-12)
Hit Dice:	3	Save As:	Variable
Move:	60' (20')	Morale:	8
Attacks:	1 weapon	Treasure Type:	V x 3
Damage:	1-8 or weapon	Alignment:	Any

"Noble" is a general term for the lord of a castle and any of his or her relatives. In the D&D BASIC rules, a noble will always be a 3rd level fighter. However, the DM may choose to make a noble any class and level. The DM may make up the noble's title or use
