

They are very fast and may attack a second time at the end of every round.

Rock Python: A rock python is a 20' long giant snake with brown and yellow scales set in a spiral pattern. Its first attack is a bite. If the bite is successful, a rock python will coil around the victim and constrict in the same round. This squeezing does 2d4 points of damage per round, and begins automatically once the bite hits.

Spider, Giant

	<i>Crab Spider</i>	<i>Black Widow</i>	<i>Tarantella</i>
Armor Class:	7	6	5
Hit Dice:	2*	3*	4*
Move:	120' (40')	60' (20')	120' (40')
In Web:	No webs	120' (40')	No webs
Attacks:	1 bite	1 bite	1 bite
Damage:	1-8 + poison	2-12 + poison	1-8 + poison
No. Appearing:	1-4 (1-4)	1-3 (1-3)	1-3 (1-3)
Save As:	Fighter: 1	Fighter: 2	Fighter: 2
Morale:	7	8	8
Treasure Type:	U	U	U
Alignment:	Neutral	Neutral	Neutral

Crab Spider: Crab spiders are 5' long giant spiders. They are meat-eaters and attack their victims by clinging to walls or ceilings and dropping onto them. They have chameleon-like powers and can change their color to blend into their surroundings, surprising on a roll of 1-4 (on 1d6). After the first attack, a crab spider can be seen and attacked normally. Any victim bitten by a crab spider must save vs. Poison or die in 1d4 turns. However, the poison is weak, and the victim may add +2 to the saving throw roll.

Black Widow Spider: Black widow spiders are 6' long and colored black with a red "hourglass" mark on their abdomens. They tend to stay close to their webbed lairs. They are carnivorous and have been known to attack humans. Their webs should be treated as the magic-user's spell **web**, with respect to the chances of breaking free (once entrapped). The webs may also be burned away. Any victim of the bite of a black widow spider must save vs. Poison or die in 1 turn.

Tarantella: A tarantella is a huge hairy magical spider which looks like a 7' long tarantula. Its bite does not kill; instead, it causes the victim (if a saving throw vs. Poison is failed) to have painful spasms which resemble a frantic dance. This dance has a magical effect on onlookers, and they may be affected. Anyone watching must save vs. Spells or start to dance in the same way. Dancing victims have a penalty of -4 on their "to hit" rolls, and attackers gain +4 "to hit" the victim. The effects of the bite last for 2-12 turns. However, dancers will drop from exhaustion in 5 turns, and they will then be helpless against attacks. Those caught while watching will dance as long as the original victim. (In the D&D EXPERT rules, there are magical means to cure the poison, and a **dispel magic** spell will stop the dance.)

Sprite

Armor Class:	5	No. Appearing:	3-18 (5-40)
Hit Dice:	1/2* (1-4 hp)	Save As:	Elf: 1
Move:	60' (20')	Morale:	7
Flying:	180' (60')		
Attacks:	1 spell	Treasure Type:	S
Damage:	See below	Alignment:	Neutral

Sprites are small winged people about 1 foot tall related to pixies and elves. While shy, they are very curious and have a strange sense of humor. Five sprites acting together can cast one **curse** spell. This will take the form of a magical practical joke, such as tripping or having one's nose grow. The exact effect of the spell is up to the DM's imagination. Sprites will never cause death on purpose even if they are attacked. (In the D&D EXPERT rules, the effects of the sprites' **curse** can be removed by a **remove curse** spell.)

Stirge

Armor Class:	7	No. Appearing:	1-10 (3-36)
Hit Dice:	1*	Save As:	Fighter: 2
Move:	30' (10')	Morale:	9
Flying:	180' (60')		
Attacks:	1	Treasure Type:	L
Damage:	1-3	Alignment:	Neutral

A stirge is a birdlike creature with a long nose, looking rather like a very small feathered anteater. When a stirge attacks a creature, it tries to thrust its beak into the victim's body to suck out blood for 1-3 points of damage. A successful hit means that it has attached itself to the victim. If attached, it will automatically suck blood for 1-3 points of damage per round until either it or its victim is dead then it will leave. A flying stirge gains a bonus of +2 on its first "to hit" roll against any one opponent due to its speed. Stirges have a hardy constitution save as Fighter: 2.

Thoul

Armor Class:	6	No. Appearing:	1-6 (1-10)
Hit Dice:	3**	Save As:	Fighter: 3
Move:	120' (40')	Morale:	10
Attacks:	2 claws or 1 weapon	Treasure Type:	C
Damage:	1-3/1-3 or weapon	Alignment:	Chaotic

A thoul is a magical combination of a ghoul, a hobgoblin, and a troll (see D&D EXPERT rules). Except when very close, thouls look exactly like hobgoblins, and they are sometimes found as part of the bodyguard of a hobgoblin king. The touch of a thoul will paralyze (in the same way as that of a ghoul). If it is damaged, a thoul will regenerate 1 hit point per round as long as it is alive. (After a thoul is hit, the DM should add 1 hit point to its total at the beginning of each round of combat.)

Trader

Armor Class:	6	No. Appearing:	1-8 (3-18)
Hit Dice:	1	Save As:	Fighter: 1
Move:	120' (40')	Morale:	7
Attacks:	1 weapon	Treasure Type:	U + V
Damage:	1-6 or weapon	Alignment:	Any

Traders are first level fighters who make their living trading goods. They are similar to merchants, but much braver (and much better fighters). They usually carry swords and hand axes. They wear furs (treat their furs as leather armor) and carry shields. When encountered in the wilderness, they will be leading 1-4 pack mules carrying trade goods. (The choice of exactly which trade goods is left to the DM; typical ones are spices, furs, or carved decorative items.)
