

SPELLS

D&D: EXPERT

Remove Fear

When reversed, this spell (**cause fear**) will make any one creature flee for two turns if a successful saving throw vs. Spells is not made. The spell has a range of 120'.

SECOND LEVEL CLERICAL SPELLS

Bless*

Range: 60'

Duration: 6 turns

This spell may only be cast on creatures not yet in melee and in a 20' x 20' area. It improves morale by +1 and makes the creatures it is cast upon +1 to hit and +1 on damage. It will affect all friendly individuals within the area of the spell when the spell is cast. At the DM's option, this spell may be used as a part of a blessing or cleansing ritual.

Reversed, this spell (**blight**) makes enemies' morale worse, -1, and gives -1 on to hit and damage rolls unless a successful save vs. Spells is made.

Find Traps

Range: 30'

Duration: 2 turns

This spell makes a trapped area glow with a dull blue light when the cleric approaches within 30'. It reveals where mechanical and magical traps are, but not the kind of trap or how the trap can be disarmed.

Know Alignment

Range: 10'

Duration: 1 round

This spell will reveal if any one creature is lawful, neutral, or chaotic. It will also reveal the alignment (if any) of an enchanted item or area (for example, a magic sword or temple).

Hold Person

Range: 180'

Duration: 9 turns

The **hold person** spell will affect any human, demi-human, or human-like creature (bugbears, dryads, gnomes, hobgoblins, kobolds, lizard men, ogres, orcs, nixies, pixies, or sprites). It will not affect **undead** or creatures larger than an ogre. The victim of this spell must save vs. Spells or be paralyzed. This spell may be cast at a single person or at a group. If cast at a single person, that person must save vs. Spells with a penalty of -2 to the die roll. If cast at a group, it will affect 1-4 (d4) persons, but with no penalty to their saving throws.

Resist Fire

Range: 30'

Duration: 2 turns

The one creature this spell is cast on will not be harmed by heat or normal fire for the duration of the spell. Also, the character or creature will save at +2 against magical fire (dragon's breath, fireballs, etc.). Damage from such fire is reduced by one point per die (each die will do at least one point of damage).

Silence 15' Radius

Range: 180'

Duration: 12 turns

This spell will make a 30' diameter area totally silent. Conversation and spells in this area will be prevented for the duration of the spell. This spell does not prevent a person within the area from hearing noises made outside the area. If cast on a person, the victim must save vs. Spells or the spell effect will move with him! If the saving throw is successful, the spell will remain in the area in which it was cast, and the victim may move out of the area.

Snake Charm

Range: 60'

Duration: special

With this spell a cleric may charm 1 hit die of snakes for every level of the cleric. Thus, a 5th level cleric could charm one 5 hit dice

snake, five 1 hit die snakes, or any combination totalling 5 hit dice or less. The snakes will rise up and sway, but will not attack.

If used on attacking snakes, the spell's duration is 2-5 rounds (d4 + 1), otherwise it lasts 2-5 turns. When the spell wears off, the snakes will return to normal.

Speak with Animals

Range: 30'

Duration: 6 turns

This spell allows a cleric to talk to any normal or giant form of animal life. It will not affect intelligent animal races or fantastic creatures. This spell will allow the cleric to speak to one type of animal (like a dog) within the given range. The animal may be talked into doing a favor for the cleric, if the monster's reaction so indicates. The favor requested must be understood by the animal and it must be possible for the creature to do.

THIRD LEVEL CLERICAL SPELLS

Continual Light*

Range: 120'

Duration: special

This spell creates a sphere of light 60' across. The light is equal in intensity to full daylight and lasts until **dispelled**. Creatures who have penalties when fighting in bright light (goblins, undead, etc.) will suffer the same penalties from the clerical **continual light** spell. If cast on an opponent's eyes the creature must save vs. Spells or be blinded until the spell is dispelled. This spell can be cast on an object.

The reverse of this spell (**continual darkness**) creates a 60' diameter sphere of darkness. Light (even from a **light** spell) torches and similar objects will not cast light within it, and infra-vision cannot penetrate it. If cast on a creature's eyes, the creature must save vs. Spells or be blinded until the spell is dispelled. A **continual light** spell cast on **continual darkness** will dispel it, and vice versa.

Cure Disease*

Range: 30'

Duration: permanent

In one round this spell will cure the creature it is cast on of any disease, such as lycanthropy and mummy rot. **Cure disease** will also kill green slime.

The reverse of this spell (**cause disease**) infects the victim with a hideous wasting disease unless a save vs. Spell is made. The victim is -2 on all "to hit" rolls. In addition, his or her wounds cannot be magically cured and natural healing will take twice as long as usual. The disease will be fatal in 2-24 days unless a **cure disease** spell is cast on the victim.

Growth of Animal

Range: 120'

Duration: 12 turns

This spell will double the size of one normal or giant animal. The animal will have twice its normal strength and do twice its normal damage in combat. It will also be able to carry twice its normal weight allowance. This spell does not change an animal's behavior. This spell will not affect intelligent animal races or fantastic creatures.

Locate Object

Range: 120'

Duration: 6 turns

For this spell to be able to locate an object, the spell caster must know exactly what the object looks like (size, shape, color, etc.). A common type of object (such as a flight of stairs) can also be detected by this spell. The spell will not, however, locate a creature. The spell will point toward the nearest desired object if within range, giving the direction to it but *not* the distance.
