

Remove Curse*

Range: 0'

Duration: permanent

This spell will remove the effects of a curse put on a character or free a character from a cursed magical item. A **remove curse** spell will only remove one curse.

The reverse of this spell (**curse**) causes a misfortune or penalty to the creature upon which it is cast. Curses are limited only by the caster's imagination, but the DM may turn a curse that is too powerful back on the caster! Typical limits to curses include: -4 to hit, or -2 on saves, or prime requisite reduced by half, etc. A successful saving throw means the curse has no effect. There is no limit to the number of times a character can be cursed, provided each curse penalizes the character in a different way.

Striking

Range: 30'

Duration: 1 turn

This spell makes one normal weapon do an additional 1d6 points of damage per attack (like a **staff of striking**). The weapon will cause the extra damage for as long as the spell lasts. It does not add to the chance of hitting, but does allow damage against creatures that can only be hit by magic weapons.

FOURTH LEVEL CLERICAL SPELLS

Create Water

Range: 0'

Duration: permanent

With this spell, the cleric summons forth an enchanted spring from the ground or a wall that will give enough water for 12 men and their mounts for one day (about 50 gallons). For every level the cleric is above 8th, twelve additional men and mounts can be supplied.

Cure Serious Wounds*

Range: 0'

Duration: permanent

This spell will cure one living creature of 4-14 (2d6 + 2) points of damage.

The reverse of this spell (**cause serious wounds**) will cause 4-14 points of damage to any creature or character touched. The caster must roll to hit the opponent as in normal combat.

Neutralize Poison

Range: 0'

Duration: permanent

This spell will cancel the effects of poison and revive a poisoned character if cast within ten rounds. It can also be cast on a poison or a poisoned item to make it harmless. It acts only on poison present at the time it is cast.

Protection from Evil 10' Radius

Range: 0'

Duration: 12 turns

This spell circles the caster with a magical barrier that will protect all friendly creatures within 10' of the cleric. This barrier will move with the cleric. The spell serves as some protection from "evil" attacks (attacks by monsters of an alignment other than the caster's) by adding 1 to the caster's saving throw and subtracting 1 from evil opponents' "to hit" roll. This spell will also keep out melee attacks from enchanted monsters (such as elementals) but not missile or magical attacks from these creatures. Enchanted monsters can melee if any of the protected creatures attempt to attack them with hand-to-hand combat.

Speak with Plants

Range: 30'

Duration: 3 turns

This spell gives the cleric the power to talk to plants and request simple favors of them. A request may be granted, if it is within the plants' power to understand and perform. This spell may be used

to allow the cleric and party to pass through otherwise impenetrable undergrowth. This spell will also allow communication with plant-like monsters (treants, for example).

Sticks to Snakes

Range: 120'

Duration: 6 turns

This spell turns 2-16 (2d8) sticks into snakes (AC 6, HD 1, MV 90' (30'), #AT 1, D 1-4, Save F1, ML 7, AL N). There is a 50% chance the snakes will be poisonous. The snakes obey the cleric's commands. They turn back into sticks when the spell ends or when "killed".

FIFTH LEVEL CLERICAL SPELLS

Commune

Range: 0'

Duration: 3 turns

This spell allows the cleric to ask questions of the greater powers (the DM). The cleric may ask three questions that can be answered yes or no, however, the cleric may commune but once a week. Once a year the cleric may ask twice the normal number of questions. If this spell is being used too often in the game, the DM may wish to limit the cleric's use of this spell to once a month.

Create Food

Range: 0'

Duration: permanent

With this spell, the cleric may create enough food to feed 12 men and their mounts for one day. For every level the cleric is above 8th, he or she is able to create food for 12 more men and their mounts. Thus a 10th level cleric could create enough food to sustain 36 men and their mounts for one day.

Dispel Evil

Range: 30'

Duration: 1 turn

This spell will banish or destroy any enchanted or undead monster that comes in range if the creature fails its saving throw vs. Spells. If the saving throw is successful, the creature will immediately flee from the affected area. The caster must remain stationary and concentrate to maintain this effect. Alternately, the spell can be cast against one creature, reducing the creature's saving throw by -2. This spell will also free a creature within range from a cursed item.

Insect Plague

Range: 480'

Duration: 1 day

This spell creates a vast swarm of insects 60' in diameter. The cloud of insects will obscure vision and will drive off creatures of less than 3 hit dice. The swarm will move at 20' per round. The cleric may direct the swarm while it is within the range. The caster must remain stationary and concentrate to maintain the spell. If the caster is disturbed, the insects will scatter and the spell ends. This spell only works above ground.

Quest*

Range: 30'

Duration: special

This spell forces the character it is cast on to perform some special task or quest as commanded by the cleric at the time the spell is cast. A successful save vs. Spells will result in the spell having no effect. A typical task might include slaying a certain monster, rescuing a maiden, obtaining a magic item for the caster, or going on a pilgrimage. Such tasks will not be suicidal. Once the task is completed, the spell ends. If the character refuses to go on the **quest**, he or she will be **cursed** (the type is to be decided by the DM) until the **quest** is continued.

The reverse of this spell (**remove quest**) must be used to dispel an unwanted **quest** or a quest-related curse. The chance of success is reduced by 5% for every level the caster is lower than the cleric who cast the **quest**.
