

SPELLS

D&D: EXPERT

Raise Dead*

Range: 120'

Duration: permanent

By means of this spell the cleric can raise any human, dwarf, halfling, or elf from the dead. An 8th level cleric can raise a body up to four days dead. For each level the cleric is above 8th, four days are added to this time. Thus a 10th level cleric can raise bodies up to twelve days dead. A raised character has 1 hit point and cannot fight, cast spells, use abilities, carry heavy loads, or move more than half speed. These effects will be healed after two full weeks of complete bedrest and this healing cannot be affected by magic. A **raise dead** cast against one undead creature will slay it unless it makes its saving throw vs. Spells.

The reverse of this spell (**finger of death**) creates a death ray that will kill any one creature. There is no effect if the creature makes a saving throw vs. Death Ray. Lawful clerics will only use **finger of death** in life-or-death situations.

First Level Magic-user and Elf Spells

- | | |
|------------------|-------------------------|
| 1. Charm Person | 7. Protection from Evil |
| 2. Detect Magic | 8. Read Languages |
| 3. Floating Disc | 9. Read Magic |

| 4. Disintegrate | 10. Projected Image |
| 5. Geas* | 11. Reincarnation |
| 6. Invisible Stalker | 12. Stone to Flesh* |

The following first and second level spells may be reversed. Ranges, durations, saving throws, and areas of effect will remain unchanged unless specified.

FIRST LEVEL MAGIC-USER AND ELF SPELLS

Light*

Reversal of this spell (**darkness** has effects exactly like the reversal of clerical **light** (see page X11).

SECOND LEVEL MAGIC-USER AND ELF SPELLS

Continual Light*

The reverse of this spell (**continual darkness**) has effects exactly like the reversal of clerical **continual light** (see page X12).

THIRD LEVEL MAGIC-USER AND ELF SPELLS

Clairvoyance

Range: 60'

Duration: 12 turns

This spell allows the user to see an area through the eyes of any single creature in it. The creature must be in the general direction chosen by the caster and in range. The spell is blocked by more than two feet of rock or a thin coating of lead. "Seeing" through a creature's eyes takes one full turn, after which the caster can change subjects.

Dispel Magic

Range: 120'

Duration: permanent

This spell will remove spell effects anywhere within an area 20' x 20' x 20'. It will not affect magic items, but will remove any spell effect created by a magic-user, elf, or cleric of equal or lower level than the spell caster. It may fail to remove magical effects by a higher level caster. The chance of failure is 5% per level of difference between the spell caster. EXAMPLE: A 5th level elf trying to **dispel** magic cast by a 7th level elf would have a 10% chance of failure.

Fire Ball

Range: 240'

Duration: instantaneous

This spell creates a missile of fire that bursts into a ball of fire 40' across (20' radius) when it strikes a target. The fire ball will do 1-6 (1d6) points of fire damage per level of the caster to each creature within the sphere of fire. EXAMPLE: A fire ball cast by a 6th level magic-user will burst for 6-36 (6d6) points of damage. If the victim of the fire ball saves vs. Spells, the spell will only do half damage.

Fly

Range: 0'

Duration: level of caster
+ 1-6 turns

This spell allows the caster (or person touched) to fly. The spell will permit movement in any direction and any speed up to 120' per round (360' per turn). It will also allow the person to stop at any point, as a **levitate** spell.

Haste

Range: 240'

Duration: 3 turns

This spell allows up to 24 creatures in a 60' diameter circle to perform actions at double speed. Such creatures move at twice normal speed and make double the number of missile or melee attacks. This spell does not affect the rate at which magic works, so the casting of spells and the use of devices such as wands cannot be speeded up.

Hold Person

Range: 120'

Duration: 1 turn/level

This spell is exactly the same as the 2nd level cleric's spell **hold person** (see page X12).
