

SPELLS

Wall of Fire

Range: 60'
Duration: special

This spell creates a thin wall of fire of up to 1200 square feet. The wall can be in any shape the caster desires (a straight wall 60' long and 20' high, a circle 20' diameter and 20' high, etc.). The wall is opaque and will block sight. Creatures of less than 4 hit dice cannot break through the wall. Creatures of 4 or more hit dice can break through but will take 1-6 (d6) points of damage — twice this amount (2d6) if they are undead or cold-using creatures (white dragons, frost giants). The wall cannot be cast in a space occupied by another object. The wall lasts as long as the caster remains stationary and concentrates on it.

Wall of Ice

Range: 120'
Duration: 12 turns

This spell creates a translucent wall of ice 20' tall and 60' long (or any other shape the caster desires). Creatures of less than 4 hit dice cannot break through the wall. Creatures of 4 or more hit dice can break through the wall but will take 1-6 (1d6) points of damage — twice that amount (2d6) if fire-using creature (red dragon, salamanders, hell hounds, etc.). It must be cast to rest on the ground or similar support and cannot be cast in a space occupied by another object.

Wizard Eye

Range: 240'
Duration: 6 turns

This spell creates an invisible eye through which the caster can see. It is the size of a real eye and has **infravision** to 60'. The **wizard eye** will float through the air up to 120' per turn, but will not go through solid objects or move more than 240' away from the caster. The caster must concentrate to look through the eye.

FIFTH LEVEL MAGIC-USER AND ELF SPELLS

Animate Dead

Range: 60'
Duration: indefinite

This spell allows the caster to make animated skeletons or zombies from normal skeletons or dead bodies within the range of the spell. These animated dead will obey the caster until they are destroyed or dispelled by a cleric or **dispel magic**.

The spell animates 1 hit die of skeletons or zombies for every level the caster has. Thus a 12th level magic-user could animate 12 human skeletons or 6 human zombies. Skeletons have AC 7 and the same hit dice as the original creature. Zombies have AC 8 and one more hit die than the living creature had. Character levels are not counted when a character is animated, thus a first level magic-user animated as a zombie will have 2d8 hit points. Animated creatures do not have any spells or special abilities.

Cloudkill

Range: 0'
Duration: 6 turns

This spell creates a cloud of poisonous vapor 30' in diameter that spreads out from the caster's fingertips. It moves 60' per turn (20' per round) in the direction the wind blows, or away from the caster if there is no wind. This cloud is heavier than air and will sink when possible (going down holes, sliding downhill, etc.), and is broken up by trees or other thick vegetation.

Creatures of less than 5 hit dice must make a saving throw vs. Poison or die, taking 1 point of damage if the save is successful. Creatures with more than 5 hit dice take 1 point of damage. These

D&D: EXPERT

effects are suffered each round the creature is still in contact with the cloud.

Conjure Elemental

Range: 240'
Duration: indefinite

This spell allows the magic-user to summon one **conjured elemental** (see **MONSTERS**) of his or her choice (air, earth, fire, or water). A caster can only conjure one of each type of elemental in any one day. The elemental will perform tasks for the magic-user, but the caster must continually concentrate to enforce his or her commands. If the caster does not, the elemental will turn upon its conjuror and attack. Thus a magic-user commanding an elemental cannot engage in combat, cast other spells, or move over half speed. If control is lost it cannot be regained — the elemental will return to the caster by the most direct route, slaying all in its path. The conjured elemental will serve until slain in combat, or until the magic-user orders it to its plane of origin while it is under control. The elemental can be dispelled by the **dispel magic** or **dispel evil** spells.

Contact Higher Plane

Range: 0'
Duration: see below

This spell allows the caster to contact a higher plane and seek knowledge from strange and powerful creatures (played by the DM). The chart below lists the planes the caster can contact, how many yes or no questions a creature of it will answer, what its chance of knowing the answer is, how often the creature will lie, and what risk of insanity the caster takes contacting the plane. There is no way of knowing if the creature is lying. For every level above 11th, there is 5% less chance of insanity (thus a 12th level magic-user would have 5% less chance of going insane than indicated on the table shown).

Plane	# of Questions	Chance to Know	Chance of Lying	Drive Insane
3rd	3	25%	50%	5%
4th	4	30%	45%	10%
5th	5	35%	40%	15%
6th	6	40%	35%	20%
7th	7	50%	30%	25%
8th	8	60%	25%	30%
9th	9	70%	20%	35%
10th	10	80%	15%	40%
11th	11	90%	10%	45%
12th	12	95%	5%	50%

This spell can be used once a week (or less often at the DM's option). Characters going insane recover after a number of weeks of game time equal to the number of the plane contacted. Thus, a person contacting the eighth plane would be out of the campaign for 8 weeks. The caster selects the plane to be contacted.

Feeblemind

Range: 240'
Duration: indefinite

This spell makes a magic-user or elf unable to think or cast spells, becoming a helpless idiot. The victim is allowed a saving throw vs. Spells at -4. A successful save negates the effect of the spell. The spell effect lasts until negated by a **dispel magic** spell. This spell will have no effect on creatures or character classes other than magic-users or elves.

Hold Monster

Range: 120'
Duration: level of the caster
+ 6 turns

This spell affects all creatures (except undead) like a **hold person** spell. The victim of the spell must save vs. Spells or be paralyzed. The spell may be cast at a single monster or a group. If cast at a single monster, that monster must save vs. Spells at a penalty of -2 on the die roll. If cast at a group, it will affect 1-4 (d4) monsters, but with no penalty to the saving throws.
