

Disintegrate

Range: 60'

Duration: instantaneous

This spell will disintegrate any single non-magical creature or object. A tree, a dragon, a ship, a 10' section of wall, and so forth, may all be affected by this spell. Creatures are allowed a saving throw vs. Death Ray with success resulting in no effect.

Geas*

Range: 30'

Duration: special

This spell forces a victim to perform a given action or to avoid performing a given action. For example, a character may be **geased** to bring back an object for the caster; to eat whenever he or she has the chance; to never reveal certain information, and so on. The **geas** will not take effect if the victim makes a successful saving throw vs. Spells. The action must be possible and not directly fatal, or the **geas** will return and affect the caster instead! A character who ignores a **geas** will suffer cumulative penalties (decided by the DM) until the character obeys the **geas** or dies. Suitable penalties include minuses in combat, lowered ability scores, loss of spells, pain and weakness ending in death, etc.

The reverse of this spell (**remove geas**) will rid a character of an unwanted **geas** and its effects. There is a 5% chance of failure for every level the caster is lower than the creature who cast the **geas**.

Invisible Stalker

Range: 0'

Duration: special

This spell summons an **invisible stalker** (see page X34) which will follow orders from the magic-user that conjured it. The **invisible stalker** will continue on its given mission until the mission is accomplished, regardless of time or distance. Once conjured, the **invisible stalker** can only be sent back by being "killed" in combat or by a clerical **dispel evil** spell.

Lower Water

Range: 240'

Duration: 10 turns

This spell will affect an area up to 10,000 square feet. It will lower the depth of the water by 50% for 10 turns.

Move Earth

Range: 240'

Duration: 6 turns

This spell may be used to magically move earth. It can also be used to alter the surface features of any area within the spell range. The spell will extend downwards until it reaches the limit of the spell

range or solid rock. The earth in this area will be moved at 60' per turn, according to the spell caster's wishes. Stone will not be affected by this spell, only soil.

Part Water

Range: 120'

Duration: 6 turns

This spell creates a path through a body of water, enabling creatures to walk on the bottom. The path will be up to 120' long and 10' wide. The spell may be ended at any time by the caster before the duration is over.

Projected Image

Range: 240'

Duration: 6 turns

This spell creates an image of the magic-user that cannot be distinguished from the original except by touch. All spells cast by the magic-user will seem to come from the image. However, the caster must still be able to see the target. If touched or struck by a melee weapon, the image will disappear. Spells and missile attacks will seem to have no effect on the image. The magic-user who casts the spell can make the image appear up to 240' away.

Reincarnation

Range: 0'

Duration: permanent

This spell brings a dead character back to life in a new body, which magically appears in front of the magic-user casting the spell. The DM should roll on the Reincarnation Table below to determine if the character returns as a character class or a monster. If the character is reincarnated as a character class (as opposed to a monster), the level is randomly rolled on a six-sided die. This level can never be higher than the character's level when slain. If the character returns as a monster, the kind of monster must be rolled on the table that matches the character's alignment. If the monster rolled has more hit dice than the character had at the time of death, then the monster type must be rolled again. A monster does not advance in experience: the character must play as reincarnated or retire from play.

Stone to Flesh*

Range: 120'

Duration: permanent

This spell turns any stone it is cast on to flesh. It is usually used to restore characters who have been turned to stone (by gorgon breath, for example).

The reverse of this spell (**flesh to stone**) will turn one living creature's flesh to stone. All clothing and equipment will also turn to stone. The victim is allowed a saving throw vs. Turn to Stone, and a successful saving throw means the spell does not take effect.
