

WEAPONS AND ARMOR

Most magic weapons and armor work just as in the D&D Basic rules. A **cursed shield** or **cursed armor** (-1 or -2) will reduce the character's armor class by that amount. For example, a character with **cursed plate mail -2** and with a **cursed shield -1** has an adjusted armor class of 5. These items will only display their true nature in actual, deadly combat and can only be gotten rid of with the aid of a **remove curse** or **dispel evil** spell.

Die Roll	Type of Armor	Normal AC	Encumbrance of Magic Armor
1-2	Leather	7	100 coins
3-6	Chain mail	5	200 coins
7-8	Plate mail	3	250 coins

POTIONS

Unless stated otherwise, a potion will give the creature who drinks it a given magical ability for 7-12 turns (1d6 + 6). If a character drinks any potion while another potion is still in effect, the character will become sick and will be unable to do anything for 3 turns. No saving throw is allowed. Potions whose effects are permanent (healing, longevity) are exempt from this rule.

CONTROL POTIONS: When using these potions, the caster must see the controlled creatures in order to direct their actions. The controlled creatures cannot be forced to kill themselves. While controlling creatures by using a potion, the user will be too busy to do anything else.

Clairaudience: The user may hear noises (including speech) in an area up to a range of 60' through the ears of a creature in that area. The effect will be blocked by lead.

Clairvoyance: The user may see an area up to 60' away through the eyes of a creature in that area, unless blocked by lead.

Control Animal: The user may control up to 3-18 (3d6) hit dice of animals (normal or giant but not fantastic or magical). When the control ends, the animals will leave the area if they can.

Control Dragon: The user may control up to 1-3 dragons of one particular type (chosen or randomly determined by the DM). Note that there are therefore 6 different types of this potion. A dragon thus controlled will do what is commanded of it, excluding spell casting (if it is capable of spells). The dragon will be hostile when the control ends.

Control Giant: The user may control 1-4 giants of one type. The DM determines the particular type affected.

Control Human: The user may cast a **charm person** spell at will (to a maximum of once per round) at any human within 60'. This potion allows a maximum of 6 hit dice of humans (normal men count as 1/2 hit die each) to be charmed. Each victim may save vs. Spells to avoid the **charm**. The **charm** lasts only until the potion wears off.

Control Plant: The user may control all plants and plant-like creatures (including monsters) in a 30' x 30' area up to 60' from the user. The controlled plants will respond to the user's will, and can twist, writhe, and entangle victims in the area.

Control Undead: The user may control 3-18 (3d6) hit dice of **undead** monsters. The **undead** will be hostile when the control ends.

Delusion: This potion has the same effect as a **ring of delusion** for 7-12 (d6 + 6) turns.

Fire resistance: The user receives immunity to normal fires, a bonus of +2 on saving throws vs. fire attacks, and will take less damage from magical or dragon fire (-1 per die of damage, but with a minimum of 1 point per die).

Flying: The user may fly at up to 120' per round without tiring (as the magic-user's spell of the same name).

Giant Strength: The user will gain the strength of a frost giant.

The effect may not be combined with other strength-adjusting magic items (such as gauntlets of ogre power). The user may throw small boulders up to 200' to strike for 3-18 (3d6) points of damage, and will inflict twice normal damage on a successful hit when using any weapon.

Heroism: A fighter, dwarf or halfling will gain the hit dice, hit points, and all abilities of a high level fighter, as follows:

Cleric, magic-user, elf, or thief	no effect
Normal Man	becomes a 4th level fighter
Character level 1-3	gains 3 levels
Character level 4-7	gains 2 levels
Character level 8-10	gains 1 level
Character level 11 +	no effect

All wounds incurred during the duration of the potion are subtracted from the magically gained hit points first.

Invulnerability: The potion improves the user's Armor Class by 2, and gives a bonus of +2 on all saving throws. However, if used more than once per week, the effect will become a penalty of -2 on Armor Class and saving throws!

Longevity: The user will become 10 years younger immediately. The effect is permanent and will not wear off.

Polymorph Self: The user may change shape (as the magic-user's spell of the same name).

Speed: This potion allows the character who drinks it to move twice as fast, make double the normal number of attacks per round, and perform other actions at twice the normal speed.

Treasure Finding: The user may, when concentrating, detect the direction and distance of the largest treasure within 360' (unless blocked by lead).

SCROLLS

To use a scroll there must be enough light to read by and the scroll must be read aloud. A scroll can only be used once, for the words disappear as they are read aloud. Only magic-users and elves may use magic-user and elf spell scrolls once a **read magic** spell has been cast to understand each scroll. Only clerics may use clerical spell scrolls. Anyone may use protection scrolls and treasure maps.

SPELLS. A scroll of spells may only be used by the spell-casting character class which matches the spells on the scroll. Roll percentage dice (d%) to find the level of the spell. The type of spells (cleric, magic-user or elf) and the exact spells may be selected by the DM or determined randomly.

Die Roll	Level of Spell
01-25	1st
26-50	2nd
51-70	3rd
71-85	4th
86-95	5th
96-00	6th

PROTECTION SCROLLS. A protection scroll may be read by any character who can read the Common language. Some protection scrolls are described in the D&D Basic rulebook; additions are given below.

Protection from Elementals: This scroll will create a circle of protection (10' radius) around the reader. No elemental can attack those within the protection, unless attacked first in hand-to-hand combat. Once attacked, an elemental creature may attack in return. The effect will last for 2 turns, and will move with the reader.

Protection from Magic: This scroll will create a circle of protection (10' radius) around the reader. No spells, or spell effects (from items, for example), may enter or leave the protected area. The effect will last for 1-4 turns, and may not be broken by any means short of a **wish**. The area will move with the reader.

TREASURE MAPS. The map should show a route to the location of a treasure either in the dungeon or wilderness. The treasure is
