

SNIT'S REVENGE!™

BOARDGAME
5006

What a **crazy** idea! The SNITS REVENGE™ game is quite unlike any other you've ever played. It starts with its own cartoon, explaining the zany situation which leads to the game — the ongoing battle between the two-legged Snits and their arch-enemies, the Bolotomi. Since the Bolotomi love to smash Snits, the endangered creatures have found a way to fight back by invading the bodies of their bulbous adversaries in search of the elusive "spark of life". It's all more than a little preposterous, but subtle strategies make this more than just a simple game for kids [though they love it, too]. Includes mounted gameboard, laminated playing counters, rules folder, and dice.

THE AWFUL GREEN THINGS FROM OUTER SPACE!™

BOARDGAME
5007

If you've ever watched "The Late Movie", you'll certainly identify with THE AWFUL GREEN THINGS FROM OUTER SPACE!™ game. This wacky spoof of science fiction films pits a desperate crew — with fire extinguishers, pool cues, and cans of space food — against the growing horde of mysterious Green Things which threaten to take over their spaceship. There's even a robot caught up in the excitement! It all adds up to a game which requires skill and strategy, providing challenging fun for players of all ages, 8 and up. The big colorful box includes a cartooned instruction booklet, laminated playing counters, dice, and a mounted spaceship gameboard.

4TH DIMENSION

5004

4TH DIMENSION is the exciting game of pure strategy from TSR. Originating in Britain [where it was a smash success], 4D is easier to learn than chess, but possesses the same complex strategies. A circular playing board provides a novel twist for the battles between Rangers, Guardians, and the all-important Time Lord. But the most unique feature is the ability to "Time Warp", taking a piece out of play and bringing it back later — up to two moves away. This game could well be a future classic! Includes gameboard, specially molded plastic pieces, and rules folder.
